WORK HISTORY

Renton Technical College - CS Tutor

Renton, WA • 02/2022 - Current

- Collaborated with students to complete homework assignments, identify lagging skills and correct weaknesses.
- Planned lessons for allotted time to strengthen weak subjects and build skills.
- Helped students prepare for routine and standardized tests and college entrance exams.
- Provided early intervention assistance to struggling students.

The Home Depot - Order Fulfillment Associate

Issaquah, WA • 03/2020 - 12/2021

- Reduced fulfillment errors by using RF scanners to quickly pick items to proper bins.
- Processed daily orders through multi-carrier manifest system.
- Conducted cycle counts and reconciled problems within distribution operations.
- Unloaded incoming trucks and properly staged inventory for processing.
